

Elena Rodriguez

Data Scientist

Professional Summary

Data Scientist specializing in Computer Vision and Edge AI. Experienced in deploying optimized models to IoT devices for real-time object detection.

Technical Skills & Certifications

Python, TensorFlow/Keras, OpenCV, C++, CUDA, TensorRT

Professional Experience

CV Engineer

2019-Present

AutoDrive Inc

Optimized YOLOv8 models for NVIDIA Jetson devices. Achieved 98% accuracy in pedestrian detection systems.

Data Analyst

2016-2019

ManuFacture Co

Built automated defect detection systems using OpenCV and Keras, reducing waste by 12%.
